

### Introduction

The Mirror Style Floor-standing Network Digital Signage LCD Player is with built-in Mirror and embedded based digital signage system, which is a multi-media system available for various digital networks. The multi-media information such as video, images, HTML and scrolling messages...will be controlled and delivered via central server to displays.

Latech Mirror style can be used in Shops fitting room, Hotels, Hair Salon and Gym (Fitness Center). When users close, the playlist will start to display on the right top corner, and meanwhile, users can still use the Mirror.

#### Features:

- Built-in Mirror;
- Samsung and LG Original LED Panel;
- Full HD 1080P;
- Free LJDS100 Management Software;
- Managed over Internet or LAN;
- Support LAN, WiFi, 3G/4G
